II. Organizational Context

The United Nations Office for Project Services (UNOPS) is an operational arm of the United Nations, supporting the successful implementation of its partners' peacebuilding, humanitarian and development projects around the world. Mandated as a central resource of the United Nations, UNOPS provides sustainable project management, procurement and infrastructure services to a wide range of governments, donors and United Nations organizations.

UNOPS Mexico Country Office supports different collaboration initiatives by the Government of Mexico that are aimed at the fight against corruption and promoting transparency in public management, as well strengthening government actions in the areas of acquisitions, infrastructure and management of high impact projects in Mexico. The work requires strategic and operational perspectives, management of resources ensuring transparency, effectiveness and efficiency that promotes the development and continuous strengthening of internal management, in order to ensure high quality results, in accordance with the needs of the partner in Mexico. The objective of the most prominent project (PharmaMX) is to support the Government of Mexico in its effort to guarantee the right to health to the largest number of inhabitants through the planning and management of the consolidated purchase of medicines (period 2021-2024), as well as assistance in the profiling of the system and model of consolidated purchase of medicines for the health sector of the Government of Mexico.

The Head of Programme reports directly to the Country Office Director who provides direction and general supervision. The Head of Programme is responsible for:

- Programme development planning and managing all stages of programming as well as overseeing the project delivery for the portfolio of advisory projects
- Managing and overseeing the PMO function for the Mexico Country Office, including strategic planning, best practices guidance, creation of control procedures, monitoring, reporting and systematising information to be presented in a strategic way to the client
- Supporting the Country Director in the quality assurance for the PharmaMX project
- Actively contributing to solidifying the partnerships and developing the portfolio in Mexico and ensuring a coherent positioning of the portfolio to the partner

III. Functions / Key Results Expected

Summary of key results:

1. Programme governance, implementation, assurance and monitoring
2. Programme development and planning
3. Manage programme resources
4. Partnership networking and advocacy

5. Knowledge management and innovation

1. Programme governance, implementation, assurance and monitoring

Excluding PharmaMX project:

- Responsible for project portfolio oversight as delegated by the Country Office Director and through the role of Project Executive on Project Boards.
- Establish and execute the programme implementation plans in collaboration with the team and partners, including setting objectives, performance measurements, standards and results expected to ensure timely and client-oriented services.
- Monitor and supervise the timely and cost-effective implementation of the programme according to UNOPS goals and partner expectations, approved budget and full cost recovery.
- Mentor and assist Project Managers in planning, execution and delivery of allocated projects, ensuring incorporation of best practice project management processes.

For the entire Mexico Country Office portfolio.

- Supervise the Programme Management Office (PMO) to ensure that all project management policies, processes and methods are followed and practiced according to the UNOPS standards, best project management practices are promoted, and overall assurance of projects is provided.
- Facilitate timely and accurate project tracking, analysis of outputs, and reporting.
- Develop and implement the programme governance framework.
- Assuring consistency of information delivered to the partner across all projects in Mexico

Supporting project assurance for for PharmaMX project:

- Ensure monitoring of project progress against the agreed tolerances and that working standards are being followed and personnel are trained
- Ensure monitoring that the scope is not changing without appropriate controls, project risks are controlled and quality is being managed (right people involved in defining needs and monitoring deliverables)
- Provide a findings and recommendations report to the Project Board

2. Programme development and planning

- Support the Country Office Director in ensuring the financial sustainability of the programme and delivery of desired results, compliance with organisational strategies, rules, regulations and standards of performance.
- Submit mandated reports and critical issues to the Country Office Director and clients, to drive future process improvement and business development planning.
- Analyse and keep abreast of political and development trends in the geographical area, to identify and propose to the Country Office Director areas for UNOPS engagement and support based on priorities in the relevant geography, strategic areas of focus and comparative advantage.
- Manage and oversee the preparation of programme documents (including business cases/strategies, policy briefs, programme plans and risk assessments).
- Ensure the accurate and timely completion of programme/business recommendations for the review and approval of the Country Office Director.
- Consult and collaborate with internal and external colleagues and partners to ensure linkages, consistency, and harmonisation of approaches and compliance with guidelines, framework and standards of accountability, integrity and performance.
- As the Gender Focal Point for the Country Office, ensure that the Gender Mainstreaming Action Plan is actioned and timely implemented, that the office has required gender mainstreaming capacity and knowledge, and that gender is mainstreamed into relevant projects, programs, and processes.
- Create, foster and role model a culture of respect and zero tolerance for discrimination, abuse of authority, harassment, sexual harassment and sexual exploitation and abuse.

<p>Ensure accountability for actions and perform duties in accordance with protection mechanisms and action plans, as expected by UNOPS policies, standards and commitments.</p>
<p>3. Manage programme resources</p> <ul style="list-style-type: none"> • Plan and propose to the Country Office required programme resources (human and financial). • Submit revenue and expenditure forecasts based on UNOPS and Country Office financial goals. • Determine pricing strategies based on UNOPS pricing policy and models to ensure an appropriate balance between revenue and development capacity within UN mandate and spirit. • Manage programme resources in accordance with UNOPS standards of ethics, integrity and accountability framework and financial sustainability. • Plan, recruit, manage and develop programme personnel/technical experts with the skills and competencies needed to ensure optimum performance and encourage the formation of diverse teams in terms of gender and geography. • Promote teamwork, collaboration and diversity by providing the programme team with clear direction, objectives and guidance to enable them to perform their duties responsibly, effectively and efficiently. • Foster a positive work environment, respectful of both men and women, and ensure that the highest standards of conduct are observed. • Plan, conduct and/or respond to UNOPS performance evaluation reviews and surveys.
<p>4. Partnership, networking and advocacy</p> <ul style="list-style-type: none"> • Build and strengthen strategic partnerships through active networking, advocacy and effective communication of UNOPS competencies in project service delivery and management. • Support the business development function by identifying and developing new business and partnership/customer opportunities. • Collaborate with the Partnerships Development function to prepare proposals and partnerships engagement. • Contribute to current and future growth plans for the Country Office, ensuring alignment with the UNOP Strategic Plan. • Support Partnerships Development function in developing communication strategies to maximise communication impact and outreach and build awareness of UNOPS goals and competencies to reinforce UNOPS competitive edge as a provider of sustainable projects results. • At the request of the Country Office Director participate and/or represent the Country Office in inter-agency discussions and planning to ensure UNOPS position, interests and priorities are fully considered.
<p>5. Knowledge management and innovation</p> <ul style="list-style-type: none"> • Keep abreast of and incorporate latest/best practices, approaches and technology to enhance the programme delivery and results. • Institutionalise and share best practices and lessons learned for corporate development planning and knowledge building. • Draft policy papers and/or recommend policy changes to align operations with changing environments. • Lead the planning, implementation and organization of strategic capacity building of personnel, clients and stakeholders within the programme.

IV. Impact of Results

The effective and successful performance by the Head of Programme directly impacts on achievement of programme results and consequently reinforces the visibility and image of the UNOPS as an effective service provider in project services and management and strengthens its competitive position as a partner of choice in sustainable development and project services.

V. Competencies

Develops and implements sustainable business strategies, thinks long term and externally in order to positively shape the organization. Anticipates and perceives the impact and implications of future decisions and activities on other parts of the organization. **(Applicable only for levels ICS-10 and above)**

Treats all individuals with respect; responds sensitively to differences and encourages others to do the same. Upholds organizational and ethical norms. Maintains high standards of trustworthiness. Role model for diversity and inclusion.

Acts as a positive role model contributing to the team spirit. Collaborates and supports the development of others. **For people managers only:** Acts as positive leadership role model, motivates, directs and inspires others to succeed, utilising appropriate leadership styles

Demonstrates understanding of the impact of own role on all partners and always puts the end beneficiary first. Builds and maintains strong external relationships and is a competent partner for others (if relevant to the role).

Efficiently establishes an appropriate course of action for self and/or others to accomplish a goal. Actions lead to total task accomplishment through concern for quality in all areas. Sees opportunities and takes the initiative to act on them. Understands that responsible use of resources maximizes our impact on our beneficiaries.

Open to change and flexible in a fast paced environment. Effectively adapts own approach to suit changing circumstances or requirements. Reflects on experiences and modifies own behaviour. Performance is consistent, even under pressure. Always pursues continuous improvements.

Evaluates data and courses of action to reach logical, pragmatic decisions. Takes an unbiased, rational approach with calculated risks. Applies innovation and creativity to problem-solving.

Expresses ideas or facts in a clear, concise and open manner. Communication indicates a consideration for the feelings and needs of others. Actively listens and proactively shares knowledge. Handles conflict effectively, by overcoming differences of opinion and finding common ground.
